2. Enroute [REDACTED] by coincidence, I had an unexpected and possibly profitable 2-hour discussion with Dean Archibald Mulford Woodruff of the School of Government, George Washington University, on training in cultural relations for overseas service. Previously unknown to me, relevant training is provided by GW at several of the senior War Colleges. Dean Woodruff offered to invite me to audit the next meeting of his committee on this training. (Also discussed GW's new Institute of Sino-Soviet Studies to be opened in the fall with Kurt London as Director).

3. With [REDACTED] indication of desire to postpone the POE until March, we now are planning on 5-16 March 1962.
